Blue Cross of Western Pennsylvania, Experimental Hospital Case Mix Payment Program data of, 681
CABG. *See* Coronary artery bypass graft surgery
Canada, medical practice organization in, 995
Cancer screening, strategies to promote, 1005
Capitation reimbursement
access to office-based physicians under, 59
controlling risk in, 990
Cardiac catheterization, waiting lists for, 784
Cardiovascular surgery, waiting lists for, 784
Care episodes, 894
Caregivers
competing demands of work and care for disabled elders, 513
effect of on child's health beliefs, 69
employed, 513
satisfaction and morale of in VA home care, 135
Carrol Depression Rating Scale (CDRS), 793
Case management
of high-cost patients, 112
in hospital vs. community for AIDS patients, 746
physician access under, 59
Case mix
for emergency department, 146
in psychiatric hospitals, 311
Case-mix reimbursement, distribution of, 681
Catastrophic illness, 112
Certified Registered Nurse Anesthetists (CRNAs), 159
Cervical cancer, compliance behavior with, 643
Change
management of, 1110
in severely ill patients, 1142
Charges, physician, 894
Chest pain, triage decision and nursing intensity for, 737
Child development, 69
Child Health Assurance Program (CHAP), 59
Children
health status of, 1041
Medicaid program for, 59
unnecessary hospital days for, 982
Children's Health Belief Model (CHBM), 69
Children's Medicaid Program (CMP), 59
Chronic illness, cost of poor adjustment to, 43
Clinics
evolution of policies in, 201
mental work load for physicians in, 458
Coded Disease Staging (CDS), 762
Cognitive development theory, 69
Cognitive functioning
admission to nursing homes with impairment of, 616
of disabled patients, 135
Cohort studies, of dental care use by elderly, 1165
Communication
doctor-patient, 473
patient information-seeking behaviors in, 19
Community-based organizations, AIDS case management by, 746
Community rating, 681
Compliance
in chronic psychiatric outpatients, 1181
monitoring and feedback effects on, 882
in women with abnormal Pap smears, 643
Complications, risk-adjusted indexes of, 1127
Computerized cancer screening reminders, 1005
Computerized Severity Index (CSI), 757, 762
Consumerism, and patient information-seeking, 19
Consumer satisfaction. *See* Patient satisfaction
Continuity-of-care, random, measurement of, 180
Continuous improvement, 822
Contrast media
low osmolality, 324
side effects of, 324
Co-payments, effects of on use and cost of drugs, 907
Coronary artery bypass graft surgery
CPR method in, 6
learning by doing in, 6
saving time and money in, 3
